

MOREE GROUP WORK

FROM SESSION 3

Involve the children in the Documentation

Don't reinvent the wheel!
Use resources that are out there
Eg NQF in a Box

Focus as it happens
ie children lead/ engage in
the play, observe, listen and
recognise the learning at/ in
the moment and
document!

HOW DO WE FIND THE TIME?

Allocate time out for staff,
Positive time outside of the
service

Different avenues for
group/ team meetings not
always same place/ time/ people
Smaller reference groups

make wherever they are at!

Need to encourage
intrinsic
Motivation for all
Develop ownership
individually or as a team

HOW TO MAINTAIN INTEREST AND
MOTIVATION IN THE PROCESS?

People need to see results,
Report the achievable things that
are meeting goals eg the policy
Folder in the newsletter!

Allocate specific roles for
Individuals/ educators who are
interested or passionate in an
Area
